

# Academe Maine Brasserie & Tavern

“Academe” – a place of dialogue and learning  
“brasserie” – an unpretentious restaurant  
“Tavern” – original name of The Kennebunk Inn

Academe (ak a deem) takes its name from the rich educational heritage of New England; the training of Chef-Owners, Brian and Shanna Horner O’Hea, at the Culinary Institute of America; the careers of Inn owners, Sue and David Horner, as university professor and president, and the culinary educational opportunities offered at The Inn.
